

Announcements Sunday, October 24th, 2021

Hi there. Can you say the Lord's Prayer by heart? Many don't know the Lord's Prayer. We'll explore insights on this bedrock prayer, and an amazing answer to prayer.

Welcome to Christ Church Oshawa! Today is Sunday October 24th, 2021. My name is Pastor Kit, Incumbent of Christ Church. We're delighted to have you with us today! Pre-register for in person Sunday attendance by Fri noon by calling 905-728-8251 or through our website Christchurchoshawa.ca.

Christ Church is making Jesus known as we acknowledge the territory of the Mississauga's of Scugog Island First Nation, under Williams Treaty of 1923, present home of many First Nations, Metis and Inuit peoples. A Proof of Vaccination policy is in effect for volunteers but no proof is necessary for guests. Check toronto.anglican.ca for more information.

If you have held back from shopping at the Thrift Shop, there's no reason to; there's a large supply of excellent inventory that is constantly being refreshed. Nancy and her team of volunteers offer a warm welcome. God is blessing this ministry as it grows. Don't miss out!

Our Christmas Bazaar is in two weeks, Saturday November 6th, 9 am to 3 pm. You can help! We are looking for donations of jewelry and baked goods. Deliver items to the Church by Fri Nov 5 at noon.

For more information, resources, archived sermons, ways to engage with those in need, and to donate to Christ Church online or by e-transfer from your phone, head to our website cco.ca. Today's email includes the Church's financial information as of Sept 30. Thank you to Kathy Mott and Gord Thow for helping us be good stewards of what we are given.

Join us next Sunday Oct 31st, when Rev Catherine will be preaching. I will be away.

Helping us worship this morning: Joseph Arrigo, our clergy, the Worship Band, and our production team. Feel to share, subscribe or comment, we love to hear from you.

Here at Church, please stand as you are able, for the Opening Responses. At home, we invite you to join in with responses on the screen.

Let's take a deep breath as we gather for worship.
